A photograph of a path made of large, flat, grey stepping stones leading from the foreground into the distance over a body of water. The sky is a pale, hazy blue.

The AMS Rapid Diagnostic™: A Roadmap to Healthy Accounting and Finance Operations

ACCOUNTING MANAGEMENT SOLUTIONS, INC.

ACCOUNTING • FINANCIAL MANAGEMENT • CONSULTING

BOSTON

NEW YORK

PROVIDENCE

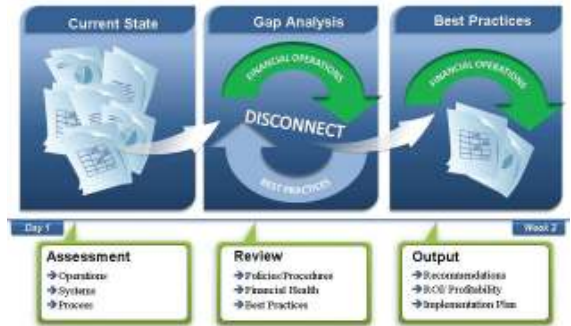

The AMS Rapid Diagnostic™

Accounting Management Solutions (AMS), the leading provider of outsourced accounting, financial management and consulting services for private, public and nonprofit organizations, is the exclusive provider of the Rapid Diagnostic™.

Our specially-trained and certified professionals perform efficient, time-sensitive assessments of nearly every aspect of accounting and financial operations. The AMS Rapid Diagnostic delivers clear, specific, and actionable recommendations, positioning both executives and staff to achieve their business objectives.

The AMS Rapid Diagnostic™ helps management objectively evaluate their organization's financial infrastructure to ensure proper support for meeting future objectives.

The AMS Rapid Diagnostic™ is a comprehensive service designed to assess the health of an organization's financial and accounting architecture and provide a concrete roadmap to excellence.

Identify opportunities to enhance the accuracy, efficiency, timeliness and responsiveness of your people, systems, policies and processes

When you engage AMS, you have selected a team that has “done it before.” Our seasoned experts work with you to cost-effectively and non-intrusively identify gaps in your organization and operations. We recommend industry-specific best practices and assist in timely implementation.

The AMS Rapid Diagnostic quickly and cost-effectively delivers:

- Clear assessments of the targeted areas
- Focused identification of issues
- Real world, best practice based recommendations
- Prioritized action plans based on risk and return
- A jumping-off point for implementation

The Rapid Diagnostic process is flexible and can be tailored to specific situations and needs.
